The Manor Weekly

May 18 to May 24, 2026

Power Outage - May 24th

A region wide power outage is scheduled for Sunday May 24th between 8am-8pm.

Meal service will remain the same as usual as our kitchen has power from our generator.

On this day at 2:00, Bob and friends will be here to lead our monthly church service, so please come down and enjoy the music and Sunday service.

City Bus Tour with April

Have you ever wondered where the city bus that stops in front of Kiwanis on Joyce goes to? And perhaps wondered if you might want to take it on your own one day?

Wednesday afternoon April will be riding the bus with residents to see where it loops and also just as a fun outing!

If you would like to go with April on this city bus adventure, please sign-up on the bulletin board.

Entry System

We will soon have a new entry system installed. This system allows people to call you from the front door so that you can open the door for them. The new system will have an electronic interface that people can use to look up your last name or room number.

The biggest difference is that residents will be able to use cell phones. You don't need a landline for this system. You will still press '6' to open the door with whatever phone you use.

Ask at the office if you have any questions about it.

Karaoke Singing with April

April is hosting Karaoke on Thursday! Come down to the lounge and enjoy listening to the music or try your hand at singing!

Thursday at 1:30 PM
